VERONA, NEW YORK

DEDICATION 1969

One man's focus for his life is the fine art of teaching. A teacher in every sense of the word—scholar, educator, and friend. A person, you like to be with, always one with the students but never one of them.

With respect and admiration the staff of the "Shev-
eron" dedicates the 1969 yearbook to Michael Walsh—
teacher of Social Studies and Economics at VVS Central
High School.

Receiving his B.A. degree in Economics from Le-
Moyne College, Mr. Walsh came to VVS in 1963. Pur-
suing his masters degree at Colgate, his graduate studies
are concentrated in the field of history.

An intelligent and friendly manner are acknowledged
ingredients of his success as advisor to both the Junior
Class and to the Student Council.

In previous years his interest in sports has led him
to coach the Cross Country team. Both faculty and stu-
dents know of his enthusiasm for a job well done, in the
class room, in sports or in working on the Junior Prom.

This yearbook dedication is but a small thank you
for the many and varied activities and contributions of
Michael Walsh to the VVS Central School.

A GARDEN

IN FOCUS

by Santha Rama Rau

We must find a focus in our lives at an early age, a focus that is beyond the mechanics of earning a living or coping with a household, something that can be a continuing involvement—a hobby, an occupation, call what you will—something that **lasts**, something beyond even human relationships. I am reminded of a Chinese saying: “If you wish to be happy for a day, kill a pig. If you wish to be happy for a week, take a wife. If you wish to be happy all your life, cultivate a garden.”

The value of the garden is that you are always looking ahead. What is planted this spring must be nourished throughout the year. Plans must always require a stretching of activity and of the mind into the future—next year, the year after—and whatever its form, surely the purpose of leisure time is to offer not only enjoyment (watching kites, if you will) but also interior satisfaction of accomplishment and self-expression.

SUPERINTENDENT'S MESSAGE

The Class of 1969 will soon be a part of V.V.S.'s heritage. A heritage that all previous classes had a part in creating. A heritage that consists of the collective actions of the students that preceded you and that directly affected your transition from childhood to adulthood. Likewise, your actions as students now become a part of your legacy to the classes that follow. We are extremely proud of the class of 1969, and pleased that your legacy is consistent with V.V.S.'s wonderful heritage of "giving not just gaining," and that the measure of worth is "man as a man" regardless of birth.

The American Field Service is one of the largest organizations in the school. It sponsors the foreign students at V.V.S. and the American Abroad program. In order to bring the students over and to send a V.V.S. abroad the club raises money by means of a candy sale.

Foreign students attending area schools share a bit of their country with A.F.S. members. The club sponsors a A.F.S. Day in which the whole school gets to meet the foreign students in an assembly.

SHEVERON '69 YEARBOOK STAFF

The Sheveron Staff is one of most important organizations at V.V.S. The staff is made up of diligent students in grades 10-12, who work together to produce the yearbook. Students develop skills in photography, writing, layout, and copy which may help them in future years.

Our school newspaper **The Beacon** is an activity that trains future journalists. **The Beacon** means continual deadlines, responsibility, and satisfaction. Recently, **The Beacon** won several awards in the New York State School Newspaper Conference and is a constant source of pride at V.V.S.

Scavengers is the nickname of the Social Studies club, Yorkers. The club looks for information, stories, and facts of our community, and state. This year Yorkers visited Cooperstown and plan to go to Albany. The club also takes part in essay contests, exhibits, and surveys at State Competition.

Colgate Seminar was initiated to provide extra educational courses for the advanced high school student. The plan has made available such courses as Economics, Sociology, Psychiatry, Art and many other interesting and stimulating topics.

Students from neighboring schools are invited, at the discretion of their guidance counselors and teachers, to take part in Colgate Seminar. It is hoped that these students will gain a greater insight into the world around them.

The Key Club is a proud tradition of young leaders who know and can fulfill the responsibilities which have been placed upon the club through the many years of fine service to the V.V.S. and our community.

The Latin Club sponsors dances and bake sales, the proceeds of which are turned over to the American Field Service. Occasionally, members of the group give oral or written reports. An initiation, in the fall, a Christmas party, and a Pizza party in the spring afford an opportunity for students and their teachers to become better acquainted.

Games, such as Bingo or Twenty Questions in French, are a part of the French Club's program for 1969. Yearly a slide-lecture program is presented by someone who has recently traveled to France. Language learning and fun at the same time are the goals of the bi-monthly meetings.

UPON BEING NUMBER ONE

The 1968 football season was a most gratifying one for Mr. Tolomeo, Mr. Debalso and myself. A team that we thought to be a year away from a championship team proved to have everything. Full credit for our undefeated season goes to every boy on the squad.

Certainly an undefeated team comes when everyone gives his best. Our team gave its best on the field—our cheerleaders and student body gave their best in a supporting role. Again I congratulate all of you for your fine accomplishment.

The Physical Education program for girls is an integral part in the daily life at V.V.S. The Honor Teams for girls correspond to the boys' varsity teams. The girls are coached and must practice regularly to perfect their skills. A schedule is set up between the schools in the area, allowing them to compete in interscholastic competition.

SENIOR SELECTIONS

OUCH THAT'S MY FINGER YOU BOBBYPINNED!!

"A YEAR TO REMEMBER"

A group of kids became a class as we prepared for the annual Football Dance. Our red and white streamers, towering 20 ft poles and brown crepe paper football made "A Year to Remember" very special.
